About the IndiaAI Fellowship

The IndiaAI Fellowship is a program under the IndiaAI Mission aimed at supporting UG and PG students undertaking projects in Artificial Intelligence. It provides financial support to bridge the gap between theoretical knowledge and practical application in AI.

Objectives of the Fellowship

The IndiaAI Fellowship Program aims to:

- Support exceptional students pursuing advanced studies or research in AI and its allied fields.
- Encourage AI-based solutions in priority sectors such as healthcare, education, governance, and agriculture.
- Promote collaboration between academia and industry.
- Build a skilled AI talent pool to meet national and global demand.

Portal Navigation Guide

Upon accessing the portal, users can explore the following sections:

- **Home** – Landing page of the fellowship portal.
- **About Fellowship** – Describes fellowship benefits, purpose, and structure.
- **Guidelines** – Contains instructions, document requirements, and deadlines.
- **Eligibility Criteria** – Lists the conditions and prerequisites for applicants.
- **Statistics** – Provides insights into application trends, selections, and outcomes.
- **Contact Us** – Support channels for help and queries.

To apply, click either:

- **'Student Login'**
- **'Apply Here'**
